Work Experience

Donut World | Co-Owner

July 2021 – November 2022

Houston, TX

- Developed company website to allow for online ordering, faster transactions, and increasing revenue using **JavaScript, React, Redux, and Node.js**. Deployed on **AWS EC2** (<https://www.donutworld.net/>)
- Designed an in-house app to allow managers to create daily tasks for employees to complete using **React Native, Redux, Node.js, and MongoDB**

RiverKids Pediatrics | Software Developer

January 2019 – July 2021

Pearland, TX

- Create, design, and update components for in-house apps used by our therapists to manage their patients' visitations. Implemented with **React Native, Redux, Socket.IO, and Node.js**
- Use JIRA to maintain and bug fix our in-house web application for therapy documentations. **JavaScript, HTML, CSS, and Node.js**
- Update and implement new features based on stakeholder's request for company's main website using **PHP, WordPress, and MySQL** (<https://riverkidstexas.com/>)

RiverKids Pediatrics | IT Desktop Support

January 2018 – January 2019

Pearland, TX

- Use ticketing system to support on-sight and remote employees
- Resolve software and hardware related issues for desktop users
- Updated, expand, and maintain **MySQL** database on **AWS RDS**

Education

DigitalCrafts | Full-Stack Development

April 2017 – August 2017

- 16-week intensive, full-time accelerated learning program.
- Learned Python and full-stack JavaScript, including Node.js, Express, React, Redux PostgreSQL, MongoDB, HTML/CSS, Linux, Nginx, and Amazon Web Services

AWS Certified Solutions Architect – Associate

In-Progress
